- Ribbon or string for hanging

Full instructions on how to make this can be found here : <https://www.happinessishomemade.net/kids-christmas-craft-tissue-paper-wreath/>

Dyspraxia Foundation Youth Top Tips over Christmas Period

If you are worried about being lonely this Christmas period or you simply want to give back to your local community volunteering over this time may be just for you, many organisations offer support at Christmas so maybe find out what is available in your local area. Libraries, community centres, Social Media and newspapers are good places to look for this information. Volunteering can be a good way of reducing loneliness, either your own or someone else's and having a sense of purpose.
